APV Municipality of Oss – Article 5:11 Damage to Green Areas by Vehicles

(<https://lokaleregelgeving.overheid.nl/CVDR623644>)

1. It is prohibited to drive a vehicle through, or to place or leave a vehicle in, a park, public garden, or any vegetation or green strip established by the municipality.
2. This prohibition does not apply:
 - a. on the road;
 - b. to vehicles used for work carried out by or on behalf of the government;
 - c. to vehicles with which a pitch has been or is being occupied on areas designated for this purpose.
3. The municipal executive (the college) may grant an exemption from this prohibition.
4. Paragraph 4.1.3.3 of the **General Administrative Law Act** (positive fictitious decision in case of failure to decide in time) does not apply to this exemption.

Definition of a vehicle:

According to Article 1 of the **Traffic Rules and Traffic Signs Regulations 1990 (RVV 1990)**, vehicles are defined as all means of transport over land, with the exception of mobile machinery in which no persons are present. This includes, among others, bicycles, mopeds, motor vehicles, trams, trailers, and wheelbarrows.
